PRINCIPAL ACCOUNT CLERK (TREASURER'S OFFICE)

DISTINGUISHING FEATURES OF THE CLASS: This is highly important account keeping work involving responsibility for planning and overseeing complex account keeping activities and independently performing the most important phases of such work. The work involves responsibility for assisting the Finance Manager and Assistant Finance Manager in various administrative and fiscal duties. The incumbent is responsible for the enhancements, upgrades, examination, review, and/or analysis of the general ledger computerized system and in assisting other county departments in its use. The incumbent performs accounting/administrative functions pertaining to account balances, fiscal reports, bank reconciliations, disbursements, and procedure evaluations. Work is performed under general supervision and in accordance with generally accepted accounting policies and procedures with considerable latitude given for the exercise of independent judgment in carrying out the details of the work. Supervision may be exercised over the work of any subordinate employees in the Treasurer's Office. The incumbent does related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative only)

Monitors accounts in the general ledger computerized system both for the Treasurer's Office and other county departments to verify that accounts do not go into a deficit, and checks accounts to determine when money should be transferred between accounts or funds including capital project accounts;

Assists other departments with a wide variety of questions on their accounts and advises department personnel where to find required information;

Continuously assists various departments in accessing information in the general ledger computerized system and in processing reports;

Explains to various department personnel how to correct information entered in the wrong account and/or if the department revenue should be credited to a different account;

Assists in training county departments in how to use the computerized accounting system;

Works closely with the computer support staff to help solve problems both for Treasurer's Office and other county departments;

Verifies on bank internet site all bank wires, and processes wires into the accounting system;

Reconciles general ledger to bank deposits and cash receipt book;

Conducts important correspondence in connection with financial matters with other county departments, financial advisors, banks, municipalities, etc.;

Is backup for processing receipts into the computerized general ledger system and for disbursement checks needed in the county (general fund checks, med checks, DSS checks, etc.);

Is responsible for daily bail disbursement checks for the Sheriff's Department;

Processes invoices for the Treasurer's Office;

Supervises the collection of the other department bank accounts, reviews bank reconciliation for accuracy and completion, and balances Treasurer's Office bank statements, purchase orders, and invoices;

Assists with the review of various reserves to ensure compliance, including worker's compensation;

Assists in the preparation of the annual report, annual budget, information for auditors, preparing resolutions for legislative meetings, inputting journals, preparing and notarizing certificate of residence applications, year end/year opening of the computerized system;

Assists in improving account-keeping methods and procedures both in the Treasurer's Office and other county departments;

Has charge of the compilation, preparation, and analysis of a variety of complex financial and statistical records and reports;

Maintains accounting records according to records retention schedule.
