

CLINTON COUNTY
PART-TIME/FULL-TIME EQUIVALENCY CHART

Hours Worked Per Week	Time to Credit
Less than 7	No Credit
7 - 13.5	20% Time
14 - 20.5	40% Time
21 - 27.5	60% Time
28 - 34.5	80% Time
35+ hours	Full-time

Clinton County requires all experience listed under minimum qualifications to be paid experience unless otherwise noted.

When minimum qualifications require experience, Clinton County requires full-time experience or its part-time equivalent. Use the chart above as a guideline in calculating part-time equivalent experience toward meeting the full-time requirement.

Step 1: Select the number of part-time hours worked per week in your job.

Step 2: Select the Time to Credit percentage to the right of the hours worked per week for your job.

Step 3: Determine the number of months you worked in the job and multiply it by the Time to Credit from the above chart to determine the amount of months we will credit toward meeting the minimum full-time years of experience needed for the position you are applying for.
